

DEPARTMENT OF COMMERCE
RADIO DIVISION

October 8, 1928.

OFFICE OF SUPERVISOR OF RADIO
2022 THE ENGINEERING BUILDING
CHICAGO, ILL.

Mr. Frank J. Jutrash,
Milwaukee Radio Amateurs' Club, Inc.,
385 - 11th Ave., Apt. 5,
Milwaukee, Wisconsin.

My dear Mr. Jutrash:

Replying to your letter dated October 5 we are enclosing a form number 5 to be executed and returned for an amateur station license in the name of the Milwaukee Radio Amateurs' Club, Inc.

The application for such a license should be submitted by an official of the club acting as an agent for the club. The person chosen is to be designated by the club adopting a resolution to this effect. It is then required that a copy of this resolution be included with the application forms.

It is also required that a list of the licensed amateurs who will be permitted to operate this transmitter be submitted for our information. Of course, you understand that the holder of a temporary amateur operator license may only operate the transmitter at the address as shown on the face of his operator license. On the other hand, a person holding an amateur class operator license or operator license of higher grade may operate any licensed amateur station. Holders of temporary amateur licenses desiring to operate this station should request application forms to be submitted for an amendment to their licenses.

Very truly yours,

H. D. Hayes

Supervisor of Radio.
